

A candle loses nothing and increases light, by lighting
another candle... B.J. Palmer, D.C.

*"A NEW BEGINNING
FOR A NEW FUTURE"*

JOIN US

OCTOBER 23 - 26, 2003

Who will be there?

Dubel - Sigafosse - Mertz

Plasker - Cerasoli - Ward

Handt - Landi - Simonetti

Selimo - Ohm - Zonnya

DeMarco - Tarantino - Henry

Cohen - Braile - Corleto

George - Kevorkian - Koren

Will you???

A black and white photograph showing two hands holding lit candles. The hand on the left is holding a candle that is already lit, with a flame. The hand on the right is holding a candle that is being lit by the flame of the first candle. The background is dark, making the white candles and hands stand out.
